

Celebrate! We have achieved the Quality Assurance Mark!

In May 2018 the first two organisations in Dawlish, Open DAW and Assist Teignbridge achieved the Quality Assurance Mark developed for the community, voluntary and social enterprise organisations that provide health and well-being services and activities in the South Devon & Torbay area.

The Scheme is endorsed by Torbay and South Devon NHS Foundation Trust.

Each of the organisations had to undergo an assessment before achieving the quality mark which involved a detailed questionnaire and face to face interviews. By achieving the quality mark we described how our services are delivered, and the relevant policies and practices that we apply to ensure safe, caring, effective, and responsive services.

Pictured below is Lynn Cavill, our Chair of Trustees with HM Deputy Lieutenant of Devon Robin Barlow, and other dignitaries at the official ceremony.

Don't forget as YOUR local community information centre
we have lots of leaflets and programmes
including the Events Guide 2018 for Dawlish and Teignmouth and shopping maps.

We also put event information onto the Love Dawlish website, Facebook and Twitter pages as well as onto the Co-op notice board and waterfowl notice boards.

We also update the electronic event screens across Teignmouth and Dawlish!

So if you know of a local event don't forget to email or give us a poster for lots of FREE publicity!
