Raising funds for local charities: Assist Teignbridge, Open Daw, Dawlish Community Transport and The Strand Centre

Did you know Open DAW works in an informal partnership with Assist Teignbridge, Dawlish Community Transport and the Strand Centre?

When one of the organisations goes to an event we often take display boards representing all 4 of us. The Antiques 'Call My Bluff' evening will raise money for all 4 charities. It is part of a series of events where we share costs and the efforts in organising the event to raise funds for all of us.

It makes sense to work together and means we don't duplicate work too!
