Why not become an Open DAW Supporter?

We are a small independent charity based in the foyer of the Methodist Church.

We provide a number of services to the local community from drop-in sessions with local organisations and agencies to local community event information and a monthly community litter pick.

We rely on our supporters as a key source of income to keep Open Daw running for older people, those in crisis or vulnerable and those in need of help whatever their circumstances.

What does Open DAW do?

Since 2005 Open DAW has been helping local people find the right information or person or place to help them with their enquiry.

We hold FREE regular drop in sessions between Monday to Friday 10 am to 12 noon from a variety of organisations. These include local solicitors, to Town Councillors, Police and Community Support Officers, Assist Teignbridge, the Devon Disability Network and others. We hold regular information talks too.

We are a safe and friendly environment for older people, those in crisis or vulnerable to pop in have a cup of tea and coffee and a chat.
